

Pierrel Research is a full-service global Contract Research Organization (CRO) with offices in Europe and USA. Our company offers a broad range of services, such as project management, monitoring, biometrics, data management, quality assurance, IMP production, pharmacovigilance/drug safety, scientific marketing, etc., for the academic and pharmaceutical clinical research.

CLINICAL RESEARCH ASSOCIATE (GERMANY)

Currently we are extending our activities and recruiting Clinical Research Associates (CRA) for monitoring of Phase II-IV clinical studies in Germany. We are looking for qualified persons who are open to extending their skills and experience in the field of clinical research.

If you....

- √ have a university/college degree in Medicine/ Pharmacy/ Life Science
- √ have at least 2 years of experience as a CRA
- √ are competent in ICH-GCP
- √ have good planning and problem-solving skills
- √ have good interpersonal communication and negotiation competence
- √ are fluent in English and German, spoken and written
- √ are well organized and can work with documents proficiently and creatively
- √ are open to travel
- √ are looking for new challenges in your professional career

...you are the right candidate to apply for this position.

We are looking forward to receiving your CV (in English, including contact details and current photo) at office.europe@pierrelgroup.com indicating the Ref. CRA_Germany
